

Facility Security Training Program

O'Brien's Response Management • 6620 Cypresswood Drive, Suite 200 • Spring, TX 77379 • Office 281-320-9796 • Fax 281-320-9700 • <http://www.obriensrm.com>

O'Brien's Response Management (O'Brien's) has developed a comprehensive, standard-setting Security Training Course that meets 33 CFR 105 (USCG) and 49 CFR 172 (USDOT). This course provides facility personnel with security duties (non-FSOs) with basic facility security measures and information. Facility Security Officers (FSOs) are provided a more in-depth level of training that focuses on the Facility Security Plan, assessing risks and vulnerabilities, threat identification and security equipment and systems. See the detailed list of course modules provided below.

Pre-Classroom Assignment

Training Module 1

- Short Reading Assignment and Questionnaire

Classroom Training

Training Module 2
